COMMUNICATION RE: ENGLISH TRANSLATION DOCUMENT

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the telephone call from Examiner Pak, enclosed is a copy of the English translation of the Opposition to EP 1,041,879 along with the cited documents, copies of which are also enclosed.

The official notice that the opposition is withdrawn is not in the file; enclosed is a reporting letter of it from the UK associate, addressed to former counsel, along with a precautionary submission to the EPO in light of the discussion in the associate's letter.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket No. 631342000111.
